++ Valid for broadcast between 1800 and 0600

Headline:
Mild with rain at times over the next few days.

This Evening and Tonight:
It will be a largely dry evening with some clearer spells developing. This will give a chilly start to the night, before temperatures rise again later ahead of band of cloud and rain which arrive by dawn. Minimum temperature 1 deg C (34 deg F).

Wednesday:
Rain gradually clearing during the morning, but staying drizzly and misty over the hills. Elsewhere skies brightening allowing it to feel very mild for December. Windy, especially in the north. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Mostly cloudy with rain at times on Thursday. Drier and brighter on New Year's Eve, but some showery rain returns New Year's Day. Windy at times but staying unseasonably mild.
